Insurance Check-Up for 2021

Where did 2020 go? It seems like it was summer yesterday and Thanksgiving was last week. I hope you and your family survived 2020 in good health and good spirit.

Hopefully, you've established a few goals for this year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this. Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. It may not make sense at first, but I'm sure you have heard stories of the success this simple task can bring. Whether your goal is to exercise more, give more to charity, read more or watch less television, you're more likely to accomplish it if you write it down and commit to achieving it.

Second, resolve to review your finances and Insurance coverage. Over time, situations change and what you put in place in the past may or may not be the solution for you today. I recommend that we schedule some time to meet together, and I, your professional Knights of Columbus insurance agent, will provide an "insurance review" of your family's insurance protection. Now might be the perfect time to fill any gaps, or make adjustments, not later.

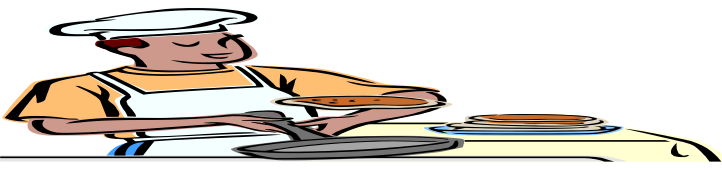

Call today. Discover the Catholic Difference of doing business with the Knights of Columbus

Vivat Jesus!

Unfortunately, due to COVID the school may not be able to hold the **BOOK FAIR** or **GRANDPARENTS DAY**.
