Hello Worthy Brothers,

Blessed Michael McGivney founded the Knights of Columbus 140 years ago with two purposes in mind: To strengthen men in their faith and to provide for the widow and orphan if the breadwinner died or could not work. Our Order continues his mission today. That two-pronged approach to the young Catholic men of New Haven, Connecticut was important then and even though much has changed in our society since 1882, I believe that approach is important now. I am honored and blessed to be a part of continuing that mission.

While we work together to strengthen our brother Knights in their faith, I am able to work to secure the future for those who are left behind. For those who know me and the indispensable work I do for our members, you already have a good idea of how I do that work. But I'd like to take a minute to explain my approach.

My approach is to help members solve problems. The most important thing I can do for you is listen: listen to what you want to accomplish, listen to what keeps you up at night, listen to the plans you have for you and your family's future. And the first step is to take stock of where a family is at the present...a snapshot of this time in your life. The Order has equipped me with a financial needs analysis platform to help you take that snapshot. We plug in the numbers and it does the calculations, taking any bias out of the process.

If your analysis shows there are gaps, we can discuss how to fill those gaps. We have a wide range of life insurance products that can be tailored to your needs if that is where the gap is. We have fixed rate annuities that are designed for retirement savings. Long-term care insurance and disability income insurance can provide peace of mind for the unexpected that life throws at us.

Stepping back and taking stock is not a difficult process and I try to make it as easy as possible. I can meet with you face to face or if you prefer, we can meet virtually. My goal is to fulfill Fr. McGivney's mission of taking care of every member and his family in this council. But I want to further his legacy and offer membership to every man eligible in the parish. His goal was to protect Catholic families...that's my goal, too.

Vivat Jesus!
