Grand Knight's Report

We'll I'm sure you have noticed the kids are back in school and everything seems to be ramping up for all that has to get done just to get back into our new normal. I'm planning to ask our council to help out as much as possible this year at the parish and school - in addition to our busy schedule too. In order to do that we have to do our homework. I'm talking about saying 'yes' and being present at our fundraisers and the school's fundraisers too.

We'll be announcing times for us to do these but first we need our refresher course in safeguarding our students by taking the 'Protecting Our Children' course at www.praesidiumacademy.com. Henry and I will be coordinating this effort together but you can also take this on your own as a member of the Knights of Columbus. Please join us at our business meeting this month to go over the details and sign up now for helping out any way you can.

Don't forget to celebrate the Eucharistic Camino with our deanery, this month on Sep. 19th we go to Colusa to Our Lady of Lourdes parish. Bring your passport to record your visits to each of our 12 parishes. THANK YOU to all the officers and wives who took part last month in the officers installation, we had a nice turnout and enjoyed some local home style pies, yummy!

WED. Sept. 6 @ 7pm is our next meeting in the Community Center. WE have LOTS to discuss with KC picnic on Oct. 8th and the Italian Dinner on Oct. 14th. Contact me @530-532-0495 for further information.

Council Meeting Message September 2023

I was watching television the other day and saw an advertisement with the theme “Shop Local.” The ad touted the many benefits of putting your dollars to work with businesses that are owned and operated by those folks who live and work right in your community. In addition to supporting the local neighborhood and community, the ad pointed to the personal service and the unique products one can find locally. Big box stores are great, they are convenient and provide goods at competitive prices. But many products are uniform; you can get the same thing at many other places. Their service is sometimes wanting; I can remember wandering in a big box retailer looking for help. However, when I shop at some of my favorite local spots, I always get a genuine greeting, personal help and the feeling that they really appreciate me being there and supporting them. All this got me thinking about our local councils. The Order is doing great things in countries far and wide. We have big ideas, big plans...and they are important and have tremendous impact on making our world better. But on a local level you members are the face of the Knights of Columbus. When our local Catholic community thinks of the Knights of Columbus, I’m sure it is you members who come to mind. Our Catholic community sees all the good works you do locally. They see you volunteering to help at parish events, supporting your pastor in his needs. Local folks see you handing out coats for kids, holding fundraisers to help local families, taking the lead at sacramental events, visiting the homebound. For the Catholics in the council and in the parish—you, my Brother Knights...you, are the Knights of Columbus. You represent all that is good in our Order. When you lead with faith, protect your family, serve others and defend your values, you are a witness inspired by our founding principles. Our Supreme Convention in Orlando, Florida, highlighted many of the accomplishments from the previous fraternal year. I think we can all be justly proud of the difference the Knights of Columbus makes. Thank you for all you do! I want to congratulate you on your contribution to the Order’s success and especially for the impact you in this council have had on the local Catholic community!

Mensaje de la reunión del Consejo de agosto del 2023

El otro día estaba viendo la televisión y apareció un anuncio con el eslogan “Compra local”. El anuncio hablaba de las numerosas ventajas de invertir su dinero en negocios que pertenezcan y sean operados por personas que viven y trabajan en su comunidad. Además de apoyar al vecindario y la comunidad local, el anuncio hablaba del servicio personal y los productos únicos que se pueden encontrar localmente. Las grandes tiendas son excelentes y convenientes, además proporcionan productos a precios competitivos. Pero muchos productos son uniformes; se puede conseguir lo mismo en muchos otros lugares. A veces el servicio deja que desear; recuerdo haber deambulado en una gran tienda minorista en busca de ayuda. Sin embargo, cuando compro en algunos de mis lugares locales favoritos, siempre recibo un saludo genuino, ayuda personal y la sensación de que realmente aprecian que esté allí y los apoye. Todo esto me hizo pensar en nuestros consejos locales. La Orden hace grandes cosas en países de todo el mundo. Tenemos grandes ideas, grandes planes... y son importantes y tienen un enorme impacto en la mejora de nuestro mundo. Pero en un nivel local, los miembros son el rostro de los Caballeros de Colón. Cuando nuestra comunidad católica local piensa en los Caballeros de Colón, estoy seguro de que son ustedes los miembros que se les vienen a la mente. Nuestra comunidad católica ve todas las buenas obras que hacen a nivel local. Los ven como voluntarios para ayudar en los eventos de la parroquia, apoyando a su párroco en sus necesidades. La gente local ve que reparten abrigos para los niños, que organizan eventos para recaudar fondos a fin de ayudar a las familias locales, que toman la iniciativa en los eventos sacramentales, que visitan a los confinados en casa. Para los católicos en el consejo y en el distrito, ustedes, mis Hermanos Caballeros... ustedes, son los Caballeros de Colón. Ustedes representan todo lo bueno en nuestra Orden. Cuando lideran con fe, protegen a su familia, ayudan a otros y defienden sus valores, son un testigo inspirado por nuestros principios fundadores. Nuestra Convención Suprema en Orlando, Florida, destacó muchos de los logros del año fraternal anterior. Creo que todos podemos estar muy orgullosos de la diferencia que marcan los Caballeros de Colón. ¡Gracias por todo lo que hacen! ¡Quiero felicitarlos por su contribución al éxito de la Orden y especialmente por el impacto que han tenido en este consejo en la comunidad católica local!

A FAMILY'S RESPONSE
TO SEXUAL ABUSE

Our cooperative approach toward diocesan safe environment programs is expressed in our guidance to council leaders concerning member compliance with diocesan safe environment requirements. The first requirement of our safe environment program is for our members to be compliant with diocesan safe environment requirements applicable to members' volunteer activities on parish property. We invite diocesan safe environment coordinators and victim assistance coordinators to contact us directly with all questions and concerns that relate to the Knights of Columbus.

The Knights of Columbus Safe Environment Program is operated in conjunction with PRAESIDIUM, which specializes in preventing sexual abuse in organizations that serve youth and vulnerable adults. Our online training modules cover sexual abuse awareness and prevention, reporting, and policies, and are available to all our members, but required for members volunteering in key leadership roles. Members volunteering to serve in key leadership roles are also required to complete a screening process, including a robust and comprehensive background check.

Thank you,

Steve Hutton, GK
