Grand Knight's Report

Happy New Year brother Knights and family. I pray everyone is safe and warm with our families and enjoying the birthday of our Lord and Savior Jesus Christ. I really enjoyed our Christmas celebrations with family, friends and parish community, I hope you did too. December was full of joy and peace, with many activities that helped to keep Christ in Christmas. I want to especially thank Jim Coffelt and his crew that made dinner for our visiting priests at our communal penance service. I heard it was delicious. I'm very much looking forward to all of our events planned throughout the new year - 2024! Our calendars are already full so check it out online and with your help we will no doubt do even more, God willing.

Remember to come to the CRAB FEED on Sat. Jan. 27th and share in a wonderful evening of food and community. Looking ahead to Feb. 10th we will be having our Sweet-heart Dinner. Also for any possible candidates on Fri. Jan. 12th Our Divine Savior is hosting an Exemplification into Knighthood. Contact Br. Jim Cupido for further information @ 533-5599.

Please keep praying for peace and our church so we can all grow closer to God doing His Will in Oroville. Remember you can still help us prepare to celebrate our own hosting of the Eucharistic Camino with our deanery February 5th, contact Henry Sanchez. Our next meeting is on Wed. Jan. 3rd @ 7pm and it will be in the Community Center. You may contact me @ (530)532-0495 for further information.

January 2024 Council Meeting Message

Happy New Year! I hope all of you had a joyous and merry Christmas. All of us start the new year afresh. We make resolutions. Let's plan now to look back at the end of 2024 and be able to say, "I kept those resolutions to improve myself, to improve my relationship with my family and friends, and my relationship with God!" An improved prayer life is the goal of many. I know I've made that resolution almost every year. Some years I do better than others. But here are few things I've found about making resolutions that helped me.

First, I don't want to make a resolution that is not possible to keep. I've got to be realistic. I can't go to an extreme. For example, to improve my prayer life, I can't go from praying for 15 minutes in the morning to reading a chapter of the Bible, attending daily Mass, reciting the rosary, and saying the Liturgy of the Hours each day. For me, that's too much of a jump. I'm going to follow that for a day or two and then something will get me off track. Myself, I need to take baby steps. Maybe start with saying the rosary each day. I've got to make my resolution achievable.

The same is true of all those other resolutions we make. I can't go from being a couch potato to running six miles a day...but I could start by walking a mile each day as an achievable step in that direction. I can't starve myself trying to lose weight...but I could cut out snacks between meals as a start. Again, an achievable step. I might want to read more, so I can start by reading a chapter a day in a book. You get the idea. The resolution has to be reasonable, achievable, and specific.

Now here is one resolution that is reasonable, achievable, and specific: Resolve to meet with me to update the information on your family's financial needs analysis. (Or maybe you need to complete a financial needs analysis.) Let's see where you stand. Your financial health is critical to your family's future security. As your field agent I'm charged to meet with each of my members each year. We can take a look at your goals and aspirations and make sure you're on track to keep your family appropriately protected.

I'll contact you soon to see if an appointment should be our next step.

Vivat Jesus!!!
