Knights of Columbus Insurance

Brother Knights, When Father McGivney founded our Order, a core focus of his mission was to help Catholic families secure their financial future. In keeping with that mission, Supreme Knight Patrick Kelly recently announced updates to the benefits available for Knights, their families, widows and orphans.

Whether or not you are an insured Knight, you are entitled to the Member/Spouse Fraternal Benefit. This is an accidental death benefit that varies from \$1,500-\$5,000, depending on your age, whether you are insured and how long you've been a member.

Other updates to highlight apply to insured members.

Family Fraternal Benefit: Guaranteed-issue insurance up to \$10,000 to any child under age 18, regardless of physical or intellectual disabilities. This also includes an automatic \$5,000 death benefit for children who die before age 61 days, including stillbirths from at least 20 weeks after conception.

Orphan Fraternal Benefit: Provides a \$500 monthly stipend to an insured member's child who has lost both parents, up to age 19. This benefit also includes up to \$5,000 per year in college scholarships, with a maximum total of \$20,000, per eligible orphan.

Widow's Benefit: Surviving spouses of insured Knights continue to be eligible for all Knights of Columbus products, and she and her children are eligible for scholarships. These widow benefits are now available to her for the rest of her life.

We strive to continue Father McGivney's mission by offering these valuable benefits. There are also several others. And, of course, each Knight has exclusive access to all our financial security products for yourself, your spouse and children under the age of 18.

If you would like more information on any of the benefits that you and your family have available to you, please let me know and I would be happy to discuss with you in more detail.

God Bless,

Dave Moeller, FICF Assistant General Sales Manager Knights of Columbus (916) 801-3403
