Knights of Columbus Insurance

Brother Knights, Blessed Fr. Michael J. McGivney founded the Knights of Columbus 143 years ago with two purposes in mind: To strengthen men in their faith and to provide for the widow and orphan if the breadwinner died or was unable to work. Our Order continues this mission to this day. That two-pronged approach to the Catholic men of New Haven, Connecticut was important then and, even though much has changed in our society since 1882, that approach is still so important and needed now. I am honored and blessed to be a part of continuing that mission.

That's why being financially committed to the Knights is such a point of pride. We all need life insurance. We all need to plan for retirement. We all need to think about and prepare for life's what-ifs. But when it comes to who will assist us with those preparations, who do we choose? The organization who provides over \$184 million of those financial security proceeds annually to Catholic charities and causes? A brotherhood whose members are setting an example of true Christian charity? The company who leaves no neighbor behind? Or another company who has no real concept of who their neighbor is? I would challenge you, whether you've never inquired, or it's been a long time, to take a fresh look at the Knights of Columbus as a trusted financial partner and see what products and services we have that will help you and your family. We have a wide range of life insurance products that
