Msgr. Paul Degnan Council #2603

GRAND KNIGHT'S REPORT

Happy 4th of July to all of you, my brothers and sisters in Christ! I am deeply grateful for all the support you have provided during the past year, and I am especially proud of the outstanding accomplishments we have made in this parish and community here in Oroville, thanks to your volunteering at our Breakfasts, Dinners, and Fundraisers.

We have had a successful year! I would also like to thank the Knights who attended the City Council Meeting in support of Fireworks Sales in the City of Oroville. I would also like to extend my special thanks to our priest, Father Ramos, and all of my officers who worked tirelessly to do God's will. I would like to express my gratitude to our returning officers for their hard work and dedication. I am here to support each of you as we collaborate and build upon our successes together in the next year.

Please remember to sign up for a shift or two at our new fireworks display. Contact Chris Martin at 530-370-6409 to sign up.

Looking forward to seeing as many of you as possible on our parish feast day, Saturday, July 5th. The Msgr. Paul Degnan Council #2603 will once again be providing the fireworks this year!

LTC Is an Important Piece of the Puzzle There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have got ten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased a LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts. Have you discussed Long Term Care planning with your family? What financial resources will you use to pay for your Long Term Care Expenses? Do you have sufficient understanding of the options to pay for Long Term Care? If I have not spoken with you about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me. Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.
